

## DONATION FORM

Cheetah Conservation Fund Canada is a chapter of the Cheetah Conservation Fund (CCF) founded by Dr. Laurie Marker in Namibia in 1990. The organization in Canada is composed of volunteers committed to the mission of CCF which is to ensure the survival of the wild cheetah and their ecosystems.

The main objective in Canada is to raise funds to support various initiatives led by Dr. Laurie Marker and her team to address the challenges faced by the cheetah and to ensure sustainable livelihoods for those living in close proximity to the cheetah. Lessons learned are shared with communities in Canada also faced with human wildlife conflicts.

Once your donation has been processed, you will receive an e-mail with your tax receipt for any donation over \$20.
