

STUDENT INTERNSHIP SPONSORSHIP FORM

For a \$4,500 donation, you can help a student get first-hand experience about wildlife conservation and community engagement. This sponsorship would help cover their travel cost and accommodation for 1-month internship.

Each student shall agree to document their learnings (e.g. blog, video, journal notes) while in Namibia and upon their return, will deliver a two-page summary of their experience so other students can also benefit. A director of the Cheetah Conservation Fund Canada will be in touch to ensure your objectives are met for this sponsorship.

Once your sponsorship has been processed, you will receive an e-mail with your tax receipt.
